Resilience through Change

Still not sure if this opportunity is for you?

Join in with colleagues who have embraced this learning opportunity for a day of delving into what creates and grows a culture of resilience through change within your service. During the day we will explore:

- How an ongoing learning process is key to the implementation of the **Early Years Learning Framework** within your service
- How **resilience through change** prepares the educators in your team for permanent supported change
- The roles and **support** offered by the facilitator, mentor and PSCQ during the journey
