

Building knowledge, skills & confidence to successfully implement the Early Years Learning Framework

Our new national Early Years Learning Framework marks a significant milestone in the history of early childhood education and care in Australia. The EYLF promotes a shared vision for early childhood education and care, and a framework to support professional decision-making and promote early learning.

Are you ready to 'get started'?

PSCQ are offering an opportunity for services to participate in a 12 month professional development project. During this time you will have the opportunity to:
