- Some fresh ideas?

Would you like to...

- Meet other people?
- Share ideas?
- Develop professional networks with people locally & across the state?

THEN THE CHILDREN'S SERVICES PROFESSIONALS EXCHANGE PROGRAM IS FOR YOU!

This exciting program gives you the opportunity to visit other services locally and across Queensland. Participants or the service they are employed in need to be members of PSCQ for you to be eligible.

WOW, WHAT A GREAT IDEA. HOW CAN I BE A PARTICIPANT?

Simply complete the Participant's Expression of Interest form and all the organising will be done for you. You decide the type of service you want to see and when you want to go and the Exchange Program Coordinator will contact you with a selection of services to choose from. If you need travel and accommodation, this will be organised by the coordinator and some/all may be paid for by PSCQ.

How easy is that? PSCQ will also reimburse the cost of replacement staff while you are away. Anyone in your service can be involved and you can even visit a different type of service to the one you are working in if you would like to see what happens in another sector. For example a family daycare provider may like to visit a long day care service.

BECOME A PARTICIPANT TODAY!
