

PEER SUPPORT GROUPS

Directors, Coordinators and Managers

A new series of Peer Support Groups is being launched in the Wide Bay Burnett region. These professional engagement opportunities encourage open sharing and support between Directors, Coordinators and Managers within the childcare sector. These sessions are aimed to respond to needs and questions concerning participants on the day. The discussions are facilitated to engage participants in sharing expertise, informing about relevant events in the local community and developing our strengths and knowledge base. Come and learn from each other and ultimately find way to reduce your workload or paperwork in a relaxed, open sharing style of learning!
